

## SLYDEPAY ACCOUNT CREATION AND CARD VERIFICATION

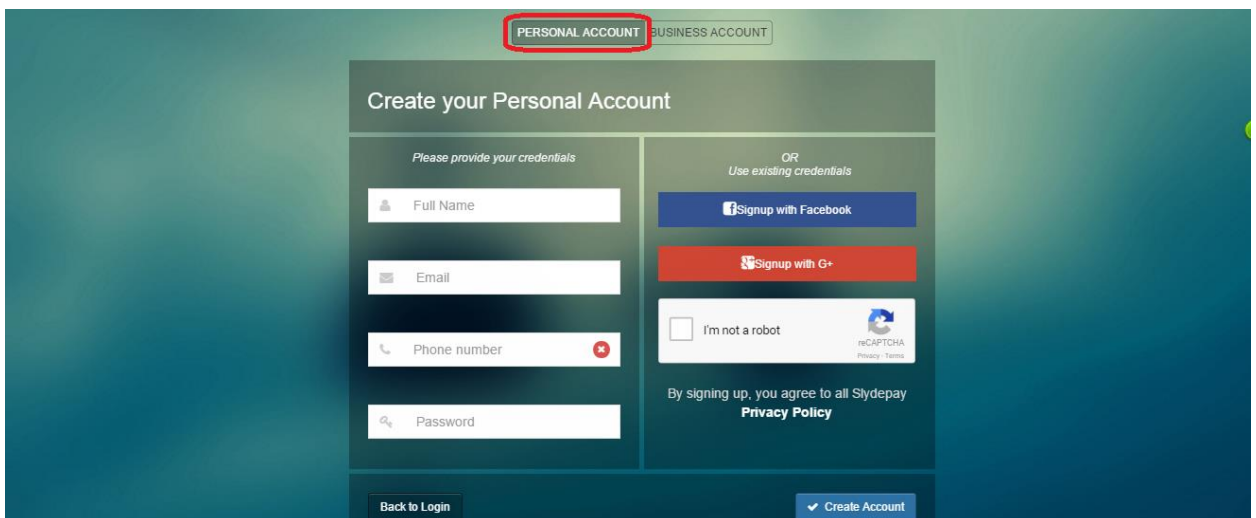

This guide seeks to simplify the process of creating a Slydepay account and verifying your VISA Card. For security reasons, we allow only verified foreign issued VISA/Master Cards to buy online via Slydepay.

Please follow the steps below to create a Slydepay account and verify your VISA card:

1. Logon to [www.slydepay.com.gh](http://www.slydepay.com.gh)
2. Click on "create account" option

3. (a) Complete the page as displayed below

A screenshot of the 'Create your Personal Account' form on the Slydepay website. The 'PERSONAL ACCOUNT' tab is highlighted with a red box. The form is divided into two columns. The left column, titled 'Please provide your credentials', contains four input fields: 'Full Name', 'Email', 'Phone number' (with a red asterisk), and 'Password'. The right column, titled 'OR Use existing credentials', contains three buttons: 'Signup with Facebook', 'Signup with G+', and a reCAPTCHA widget with the text 'I'm not a robot'. Below the reCAPTCHA, there is a link to the 'Privacy Policy'. At the bottom of the form, there are two buttons: 'Back to Login' and 'Create Account'.

- (b) Completed page should appear as displayed below. Click the “Create Account” option to proceed”

17. Click on "Yes, verify now!" to proceed with the verification process

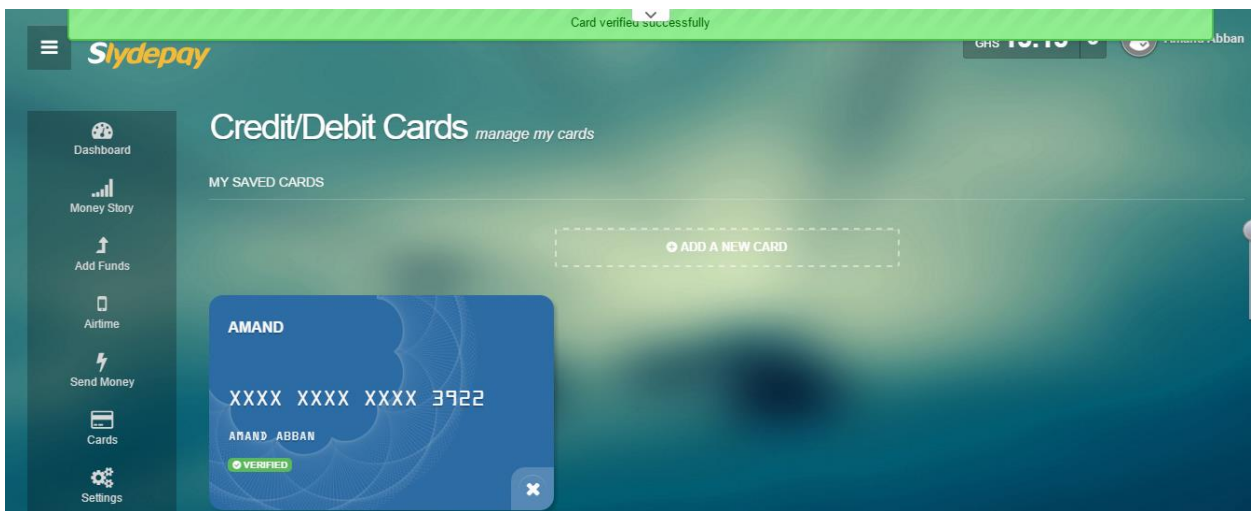

**NB:** Two debit transactions will be passed on your VISA/MasterCard and transaction amounts credited to your Slydepay account. These amounts will be between GHS 3.00 and GHS 6.00 and will be used to verify your card. Your ability to state these debit amounts correctly will be used to verify the card

18. Enter the two debit amounts respectively in the amount sections displayed below and click on "Verify Card".

19. The message below will display to show a successful verification of your VISA Card.

20. Once the verification process is completed, please proceed to merchant's website to make your purchase with your VISA/Mastercard.
